

Club Boat usage for NWSC Water Ski Club.

Info

- 1: Only members can use the club boat
- 2: Drivers of the boat must be a member, have a boat licence and have done the boat introduction course authorized by the club.

Access the boat

- 1: You must have a set of keys.
- 2: Open lock on the main compound using the key
- 3: go to back compound and using your swipe tag open lock.
- 4: Open safe using password given to you on the instruction day.
- 5: Put boat keys and payment book in boat.
- 6: Undo padlock from boat trailer to ground anchor.
- 7: Put and tighten all bungs back in boat.
- 8: Lay seats down
- 9: look for any damage done to the boat, and report it if any found.

(we do not want the wrong person blamed)
- 10: Connect boat , electrics and safety chain.
- 11: Drive boat out and then lock the shed when exiting.
- 12: once out of the compound relock.

13: launch boat and park trailer.

Note (Remember, if only one person in the boat then a life jacket must be worn?)

14: Drive to docks at the Ski club

15: Before skiing check to see if the hrs on the sheet match the boats Hr meter.

Club

1: before Skiing, open the club house using swipe card.

2: Fill in sign in book for members

3: Register all guests and pay fee.

Skiing

1: Skiing must start from the dock area

2: no skis or equipment to be carried in boat.

3: Ski in anti clockwise direction.

4: Observe rules if using the ski course

Costs

1: Visitors fee \$10 per person per day

(kids to be confirmed)

2: Skiing \$10 per Ski (0.2 hrs –10mins) or Slalom Course 6 passes

(member or non member same price to ski)

Packing Up

1: Fill in running sheet

- 2: Pay fees
- 3: Boat back on trailer
- 4: Make sure all safety chains are in place before driving back to shed
- 5: when driving to back compound take the left hand side so you can back in easier.
- 6: Take care as it is tight turning when backing boat in.
- 7: Back in so ground lock chain can go around trailer
- 8: undo all bungs
- 9: Remove all rubbish
- 10: wipe down and clean boat
- 11: In case of an accident report any damage.
- 12: place keys and sheets in safe.
- 13: lock all gates
